An exciting opportunity for you to explore the great outdoors and experience the thrill of a unique adventure. The 47th Annual Natural Resource Conservation Workshop for Arizona Youth is an interactive camp bringing together the latest in science and natural resource technology.

Mingus Mountain, in the Prescott National Forest, is the setting for learning about water, soils, plants, GPS, and other natural resources. You will discover nature by conducting experiments and completing outdoor projects. This is a hands-on workshop! Youth will have many opportunities to discuss and debate natural resource and management issues. Various group activities such as fishing, hiking, swimming, volleyball & horseshoes will be available during your free time.

Eligibility

Youth entering grades 8-12 in the fall of 2010 are eligible to apply. Youth must have an interest and desire to learn more about the environment in which we live. No applicant will be denied attendance because of financial need. Selection is made based on the merit of the application.

How To Apply

Complete the application or type the following on a single sheet of paper: Name, address, phone number, grade entering in the Fall of 2010, and email address (if available). Answer the following questions: 1) Explain why you would like to attend this camp. 2) Describe your interests and activities related to natural resources. 3) Describe any other special interests, hobbies, and involvement in community or school activities. 4) If appropriate, indicate the need for financial assistance.
